

gst_tensor_converter
_class_init

```
graph LR; A[gst_tensor_converter_class_init] --> B[gst_tensor_converter_set_property]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'gst_tensor_converter' on the top line and '_class_init' on the bottom line. The right box is gray with a black border and contains the text 'gst_tensor_converter' on the top line and '_set_property' on the bottom line. A blue arrow points from the right side of the left box to the left side of the right box.
