

gst_tensor_mux_class_init

```
graph LR; A[gst_tensor_mux_class_init] --> B[gst_tensor_mux_set_property]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'gst_tensor_mux_class_init'. The right box is gray with a black border and contains the text 'gst_tensor_mux_set_property' on two lines. A blue arrow points from the right side of the first box to the left side of the second box.
