

gst\_tensor\_sparse\_dec\_init

```
graph LR; A[gst_tensor_sparse_dec_init] --> B[gst_tensor_sparse_dec_chain];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'gst\_tensor\_sparse\_dec\_init'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'gst\_tensor\_sparse\_dec\_chain'.
