

gst\_tensor\_src\_iio\_init

```
graph LR; A[gst_tensor_src_iio_init] --> B[gst_tensor_src_iio_device_properties_init]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'gst\_tensor\_src\_iio\_init'. The right box is gray with a black border and contains the text 'gst\_tensor\_src\_iio\_device\_properties\_init'.
