

gst_tensor_trainer_init

```
graph LR; A[gst_tensor_trainer_init] --> B[gst_tensor_trainer_src_query]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'gst_tensor_trainer_init'. The right box is gray with a black border and contains the text 'gst_tensor_trainer_src_query' on two lines.
