

gst_mqtt_sink_init

```
graph LR; A[gst_mqtt_sink_init] --> B[default_mqtt_get_unix_epoch];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'gst_mqtt_sink_init'. The right box is gray with a black border and contains the text 'default_mqtt_get_unix_epoch' on two lines. A blue arrow points from the right side of the left box to the left side of the right box.
