

gst_tensor_query_client
_sink_query

```
graph LR; A[gst_tensor_query_client_sink_query] --> B[gst_tensor_query_client_query_caps]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray fill and contains the text 'gst_tensor_query_client' on the top line and '_sink_query' on the bottom line. The right box has a white fill and contains the text 'gst_tensor_query_client' on the top line and '_query_caps' on the bottom line. A blue arrow points from the right side of the left box to the left side of the right box.
