

```
EnumProperty< Initializer  
Info >
```

A diagram illustrating inheritance. A blue arrow points upwards from a grey box containing the text 'nntrainer::props::WeightInitializer' to a white box containing the text 'EnumProperty< Initializer Info >'. This indicates that 'nntrainer::props::WeightInitializer' inherits from 'EnumProperty< Initializer Info >'.

```
nntrainer::props::Weight  
Initializer
```
